Landau Building Company
9855 Rinaman Road
Wexford, PA 15090

Attn: Tom Landau

Dear Tom,

It is my sincere privilege to acknowledge Landau Building Company as a reputable General contractor for the building trades and WVU Hospitals. The Allied Health laundry project that was just recently completed in the Morgantown Industrial Park was a success and in part by a few key people from your staff. I'm sure that in the background, there is a network of employees who make this possible but there are a couple that I would specifically like to point out on this project. Mr. Dale Dixon and Mr. Bob Bredel did an exceptional job from both in the office and out in the field. They handled the project with knowledge and thoroughness from start to finish. I am pleased to say that I would highly recommend your company's service again. I myself look forward to working with you and your staff in the future.

Thanks again,

Josh Clovis
Project Manager
